

Logitech®

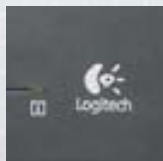

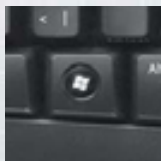

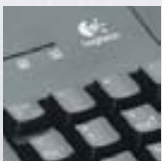

Deluxe 250 USB Keyboard

Performance beyond expectations

The Deluxe 250 Keyboard series is the best in its class; combining cost-effectiveness with sturdy and durable construction. It features an industry standard key layout with spill-resistant design. Full-size F-keys make it ideal for businesses whose operations require the use of keyboard templates. Simple to install; it's fully functional without having to load any additional drivers. Its commercial brown-box package makes it ideal for system builders who wish to bundle a durable entry-level keyboard, or for use as a replacement product in a corporate environment.

- Industry standard key layout
- Full-size F-Keys ideal for business users
- Spill-resistant design can handle minor spillages
- New Microsoft® Windows start key – Vista compatible
- Available in black or white colour versions
- Available in PS/2 or USB versions
- Commercial brown-box packaging
- 3-Year guarantee

Expect more!
