

Logitech®

Gaming Headset G330

Behind-the-head gaming headset

- **Adjustable, behind-the-head design**
- **Headband with silicone lining and pivoting ear pads**
- **Noise-cancelling microphone on a flexible, rotating boom**
- **USB adapter**
- **In-line audio controls**

The Logitech® Gaming Headset G330 delivers comfort that won't quit. Its adjustable, behind-the-head design – the first of its kind for gaming headsets – gives you a lightweight, personalised fit. The silicone-lined headband and pivoting ear pads relieve pressure during marathon gaming sessions. A noise-cancelling microphone reduces annoying background noise and rotates out of the way when you're not using it. The in-line audio controls let you adjust the volume or mute the microphone without pausing the action. An included USB adapter lets you connect digitally to any USB port for enhanced audio or directly to your PC sound card via 3.5 mm jacks

SYSTEM REQUIREMENTS

Windows-based PC

- Windows® XP, Windows Vista® or Windows® 7
- USB port or 3.5 mm jack (2)

Mac® computer

- Mac OS® X
- USB port

Logitech®

Gaming Headset G330
