

FreeAgent Go™

ULTRA-PORTABLE DRIVE

USB 2.0: 250 GB, 320 GB, 500 GB, 640 GB, 1 TB

Perfect for when you need to:

- Store your photos, music and other files easily
- Carry your data while you're on the go
- Synchronise and back up quickly at your desktop without having to search for cables
- Guard the privacy of important files and folders

Optional Accessories

FreeAgent Go Dock™

FreeAgent Go Dock+™

The ultimate portable storage solution for your photos, movies, music and more

The FreeAgent Go drive offers up to 1 TB of capacity, so you can store all your files comfortably. Included, easy-to-use software helps keep your information safe with automatic backup and encryption of your important files and folders. You can synchronise content between your work and home computers so that you always have your most current versions. And you can take advantage of the convenient desktop dock accessory. Simply pop your drive into the FreeAgent® dock whenever you want to access your files — no more fumbling around for cables!

Highlights

- World's thinnest portable drive profile and compact cables make data transport easy
- Automatic backup software helps you protect your data easily
- Encryption technology guards the privacy of your important files and folders
- File synchronisation capabilities ensure that you always have your most current versions
- Environmentally smart power management features save energy
- Five-year limited warranty offers peace of mind
