

FreeAgent™ Go

PORTABLE STORAGE SOLUTION

USB 2.0: 250 GB, 320 GB, 500 GB

Perfect for when you need to:

- Store your photos, music and other files easily
- Carry your data when you travel or commute to and from work
- Sync and back up quickly at your desktop without having to search for cables
- Guard the privacy of important files and folders
- Get your storage solution up and running quickly

Accessory Pack

(Sold Separately)

Docking Station

Travel Case

The ultimate portable storage solution for your photos, music, videos and more

Take your photos, music, videos and documents everywhere easily with the sleek Seagate® FreeAgent Go portable storage solution.

The FreeAgent Go drive offers up to 500 GB of capacity, so you can store all your files comfortably. It includes easy-to-use software that lets you automatically back up your data, synchronise files and encrypt important files and folders. And, it's the world's first portable hard drive with a convenient desktop dock accessory. Simply pop your drive into the FreeAgent dock whenever you want to access your files — no more fumbling around for cables!

Highlights

- Pocket and carry your data with ease thanks to a sleek design — the thinnest portable storage solution on the market; even the cable folds up compactly.
- Choose from a variety of colours to complement your style and help you differentiate between multiple drives.
- Access your files with unparalleled convenience simply by popping your drive into the FreeAgent desktop dock accessory. You'll never fumble around for cables again! You can even purchase another dock for convenience at home and in the office.
- A protective travel case is included with the dock accessory pack.
- Take all your photos, music, videos and documents with you everywhere, thanks to large storage capacities of 250 GB, 320 GB and 500 GB.
- Protect your data easily with automatic back-up software.
- Guard the privacy of your most important files and folders with software encryption technology.
- Sync content between your work and home computers so that you will always have your most current versions.
- Experience fast data transfer with a USB 2.0 interface.
- Get started quickly with preloaded software. No CDs!
- Save energy by using one small drive for both mobile and desktop needs, and take advantage of an environmentally smart utility that can power down your drive when it is not in use.
- Enjoy peace of mind with a 5-year limited warranty from the world leader in storage solutions.
