# GoFlex™ Desk
**EXTERNAL DRIVE**

**Seagate**

**Perfect for when you need to:**

- Store or back up photos, films, music and documents
- Access your files with both PC and Mac® computers

**Capacities** 1 TB, 2 TB

**Protect, store and access files using the interface of your choice with the world's most versatile drive**

The GoFlex Desk external drive with its preloaded software delivers high-capacity storage and automatic, continuous backup with encryption for all your files. The included plug-and-play USB 2.0 adapter makes it easy to connect to your PC or Mac® computer and it displays the drive's available storage capacity. With the world's most versatile external desktop drive, you now have the ability to upgrade your connection interface to suit your needs. And, the option to place the drive vertically or horizontally complements any desktop.

**Access files with the interface of your choice**

Use the standard USB 2.0 interface or upgrade to USB 3.0 or FireWire® 800 by pairing the drive with the appropriate GoFlex upgrade adapter to increase file transfer performance instantly by up to tenfold.

**Free your files**

With the included NTFS driver for Mac, you can now store and access files interchangeably from PC and Mac computers without reformatting. The NTFS driver is simply installed once on your Mac computer, allowing it to access and store files in a PC-compatible format.*

*\* Reformatting to HFS+ is required to use backup software for Mac or Time Machine® software*

**Highlights**

- USB 2.0 Plug-and-play
- Easy-to-use preloaded backup software with encryption
- World's most versatile external drive - upgrade to a faster interface with a GoFlex Desk desktop adapter
- Includes GoFlex Desk USB 2.0 adapter with capacity gauge display
- Offers both vertical and horizontal drive orientation
- 2-year limited warranty
