

USB Superbooster Extender Kit

Brilliant solution for long length USB limitations. Put your USB devices where you want them with our TruLink USB Superbooster. This pocket-sized device extends the distance of a USB device to a host computer up to 45 metres so you can place your USB camera, printer, web cam, keyboard/mouse extension, or any other USB device exactly where you want it! This booster is powerful yet simple, with no drivers to install or special software required, it's compatible with any computer that supports USB.

This plug-and-play device consists of a base unit and a remote unit connected together by a standard CAT5, CAT5e, CAT6 or CAT6a network cable (not included). Simply connect your cables to your device; then connect to your computer and USB peripheral and you're up and running. Bus-powered, it requires no external power source. Instead, the Superbooster has internal DC power conditioning circuits to maintain the proper voltage to the remote device so no external power is required for either the base or remote units. Compliant with USB Specification 1.1.

- Fully Compliant with USB 1.1
- Supports Full Speed 12Mbps, Low Speed 1.5Mbps Transfer Rates
- No External Power Required*
- No Driver or Software Installation Required

*Please Note: The power demands of devices such as electronic whiteboards, external drives and USB hubs, may require the use of external power for proper operation. Please consult with your device manual or manufacturer for details.

Item Number	Description	Weight (kg)
81621	USB Superbooster Extender Kit	0.231

Specifications: USB Superbooster Extender Kit

USB Specifications:

USB Specification:	USB 1.1
USB Transfer Rates Supported:	Full Speed - 12Mbps Low Speed - 1.5Mbps

Category Cable Requirements:

Category Cables Supported:	Cat5, Cat5E, Cat6
Cable Pinouts Supported:	T568B - Recommended T568A

Physical Characteristics:

Transmitter

USB Connector:	USB A Male
Data Connector:	RJ45 Female
Dimensions:	5.45 x 2.55 x 3.80cm
Cable Length:	15.24cm

Receiver

USB Connector:	USB A Female
Data Connector:	RJ45 Female
Dimensions:	5.45 x 2.55 x 3.80cm

Overall Weight:	0.231kg
