

HDW-PDU3

Wireless Streaming Storage

Buffalo's MiniStation[™] Air 2 (HDW-PDU3 series) is a battery-powered Wireless Hard Drive that enables users to greatly expand their storage capacities without the hassle of wires, cables, or an internet connection.

Buffalo's MiniStation[™] Air 2 uses integrated WiFi to create its own hotspot and stream data to and from your Smartphones and tablets. And, with DLNA, the MiniStation[™] Air 2 also streams to any DLNA-ready device for quick access to up to 1 TB of portable storage. It's perfect for storing and streaming multimedia content such as movies, music, and photos, and if an internet connection is available it's also possible to simultaneously stream music or films while surfing the web.

The HDW-PDU3 has up to 12 hours of battery life for streaming, or, can even double as a smartphone charger with enough capacity to charge two iPhones[®]!

The MiniStation[™] Air 2 is sleek and compact, and Buffalo[™] also offers re-designed and optimised free mobile apps for iOS and Android[®]. If users want to directly connect the MiniStation[™] Air 2 to a PC or Mac it's ready-to-go with SuperSpeed USB 3.0.

With integrated WiFi, DLNA, and available capacities of 500 GB or 1 TB, the HDW-PDU3 lets you easily have all your data, wherever you go!

Features and Benefits

- The MiniStation[™] Air 2 is a compact portable storage solution with wireless streaming capabilities:
 - Ideal for business travel, vacationers, and anyone who wants to easily access their content
 - Up to 8 connections possible, and up to 3 simultaneous HD streams
- Expand storage capacities without the hassle of wires, cables, or an internet connection
- Easily connect with WPS or AOSS
- Features long battery life: up to 12 hours streaming on a single charge
- Also doubles as a portable battery charger for charging smartphones
- Includes a USB 3.0 port for fast file transfers when directly connected to any PC or Mac[®] computer
- Transfer sizes and data amounts and are no longer limiting
- More convenience, choices, and enjoyment regarding your movies, music, and photos
- WPA2 wireless encryption for secure data transfer
- While wirelessly connected to the MiniStation[™] you can also use the internet
- 3 year warranty
